

WSU  
Association  
for Faculty  
Women  
Est. 1975

## Greetings!

The Association for Faculty Women creates opportunities for members to connect in environments that are welcoming, supportive, and empowering.

Our theme this year is "reflection." We are approaching our 50-year anniversary and we would like to reflect on how far women faculty have come and what still needs to be accomplished. We aim to offer programming that best meets the needs of faculty women across our campuses.

Join AFW to receive our newsletter and information on all of our 2023-2024 events.

Blythe Duell  
AFW President

## EVENTS & AWARDS

Join us for special events, networking, leadership awards, graduate student awards, and more!

## JOIN AFW

Tenured, tenure track, clinical or research track, instructional or adjunct faculty, or administrative positions are encouraged to join.

## CONNECT WITH US

Get involved with AFW by contacting your campus officer(s).

# CONNECT

with colleagues

## AFW MISSION

- To provide a means for faculty women to share mutual interests, activities, and concerns, particularly as they relate to the academic responsibilities of teaching, research, and service at WSU.
- To provide a structure through which issues that impact faculty women, as an academic group, are considered and addressed, particularly by providing input and recommendations to bodies including the University Administration, the Commission on the Status of Women, the WSU Faculty Senate, and university committees.
- To further the professional growth of faculty women through professional programs, state and national speakers, and consultants.

## UPCOMING EVENTS

**TBD – Meeting with Deans and Chancellors**  
Zoom

**DEC. 4 – Conversation with Laura Hill**  
3-4 pm on Zoom
