## Why do I report?

The Clery Act promotes accountability for crime prevention and response on college campuses and provides accurate information about crimes and security procedures to the WSU community.

WSU is required to disclose and publish Clery crime statistics annually.

Your report may also result in a Timely Warning or Emergency Notification to the WSU community.

## What information should I include in my report?

Report allegations of Clery crimes (attempted or completed) where you have a reasonable basis for believing that the information is not simply rumor or hearsay. Include as much information as possible, including date, location, type of crime, and participants.
