

CURRICULUM VITAE

Mark D. Fox, M.D., Ph.D., M.P.H.
Professor of Medicine and Pediatrics
Associate Dean and Center Director
Indiana University School of Medicine – South Bend

EDUCATION

1997-2005 **University of Rochester School of Medicine and Dentistry**
Rochester, NY

M.P.H. (Clinical Investigation)

Degree awarded: 2005

In residence: 2001-2002

Fellow, Cardiovascular Epidemiology & Preventive Cardiology
Department of Community and Preventive Medicine
2001-2002

[M.P.H. coursework completed during fellowship]

Resident, Internal Medicine/Pediatrics
Strong Memorial Hospital
1997-2001

1989-1997 **Vanderbilt University**
Nashville, TN

Ph.D. (Religion, Ethics, and Society)

Graduate Department of Religion

Dissertation: "Directed Donation: A Critical Examination of the
Values Underlying Organ Donation and Allocation Policy"
(Director: Richard M. Zaner, Ph.D.)

Degree awarded: August 8, 1997

M.A. (en route), (Religion, Ethics, and Society)

Graduate Department of Religion

Degree awarded: May 9, 1997

M.D.

School of Medicine

Degree awarded: May 9, 1997

CURRICULUM VITAE

1987-1989 **Brasenose College, University of Oxford**
Oxford, UK

M.A.

Degree awarded: June 11, 1994

B.A. (Honours), Philosophy & Theology

Degree awarded: June 9, 1990

1983-1987 **Georgetown University**
Washington, DC

B.A. (Magna cum Laude), Theology

Degree awarded: May 24, 1987

PROFESSIONAL EXPERIENCE

Administrative Appointments

Indiana University School of Medicine (IUSM)

2015 -- Associate Dean and Regional Campus Director, IUSM – South Bend
2018 -- Co-Director, Summer Community Health Innovations Program (S-CHIP)
2019 -- Co-Director, Scholarly Concentration in Ethics, Equity & Justice
2024 -- Associate Dean and Regional Campus Director, IUSM – NW, Gary
2023 - 2024 Interim Associate Dean and Regional Campus Director, IUSM – NW, Gary

University of Oklahoma College of Medicine, Tulsa

2008 - 2015 Associate Dean for Community Health
2008 - 2015 Associate Dean for Research Development
2012 - 2015 Medical Director, OU Wayman Tisdale Specialty Health Clinic
2007 - 2015 Director, Native American Health Initiatives
2006 - 2015 Director, Center for Clinical and Translational Research
2003 - 2015 Associate Director, Oklahoma Bioethics Center
2007 - 2008 Assistant Dean for Research Development
2003 - 2007 Program Director, Medicine/Pediatrics Residency Program
Chief, Section of Medicine/Pediatrics

University of Rochester School of Medicine and Dentistry

2001 - 2002 Director, Program in Transplant Ethics and Policy

Vanderbilt University Medical Center, Nashville, TN

1995 - 1997 Associate Director, Transplant Ethics Program

Indiana University School of Medicine

2015 -- Professor of Medicine and Pediatrics

CURRICULUM VITAE

University of Notre Dame, Notre Dame, IN

2015 -- Distinguished Adjunct Professor of Theology
2015 -- Faculty Member, Eck Institute for Global Health
2015 -- Faculty Member, Harper Cancer Research Institute
2016 -- Adjunct Professor of Preprofessional Studies

Richard M. Fairbanks School of Public Health, Indianapolis, IN

2015 -- Adjunct Faculty Member, Department of Health Policy and Management

University of Oklahoma School of Community Medicine, Tulsa, OK

2010 - 2015 Associate Professor (with tenure), Department of Internal Medicine
Associate Professor (with tenure), Department of Pediatrics
2008 - 2015 Julian Rothbaum Chair in Community Health Research
2007 - 2010 Associate Professor, Department of Internal Medicine
Associate Professor, Department of Pediatrics
2003 - 2007 Assistant Professor, Department of Internal Medicine
Assistant Professor, Department of Pediatrics

University of Oklahoma College of Public Health, Oklahoma City, OK

2005 - 2015 Adjunct Assistant Professor
Department of Health Administration and Policy

Phillips Theological Seminary, Tulsa, OK

2005 - 2007 Adjunct Instructor of Ethics

University of Rochester School of Medicine and Dentistry, Rochester, NY

2001 - 2002 Senior Instructor, Departments of Medicine and Pediatrics
Senior Fellow in Preventive Cardiology
Department of Community and Preventive Medicine
1999 - 2002 Associate in Medical Humanities
1998 - 2001 Associate in Internal Medicine and Pediatrics
1997 - 1998 Assistant in Internal Medicine and Pediatrics

St. Paul's School, Concord, NH

2000 Master Teacher, Advanced Studies Program

Saint Thomas Hospital, Nashville, TN

1996 - 1998 Senior Scholar, Clinical Ethics Center

Tennessee State University, Nashville, TN

1994 - 1996 Adjunct Assistant Professor of Philosophy
Department of Languages, Literature, and Philosophy

Vanderbilt University Medical Center, Nashville, TN

1991 - 1997 Senior Fellow in Clinical Ethics, Center for Clinical and Research Ethics
1994 - 1995 Fellow in Transplant Ethics & Policy, Vanderbilt Transplant Center

CURRICULUM VITAE

1990 - 1991 Fellow in Clinical Ethics, Center for Clinical and Research Ethics

1989 - 1990 Graduate Assistant, Center for Clinical and Research Ethics

CERTIFICATION OR BOARD STATUS

2004	Active	American Board of Pediatrics
2003 - 2013		American Board of Internal Medicine
		Ethical Principles in Research Program (EPRP)
		Human Subjects Protection Program (HSPP)

LICENSES

2015	Indiana (Active)
2002	Oklahoma State Medical License (Active)
1999	New York State Medical License (Inactive)

RESEARCH AND SCHOLARSHIP

Active

“Summer Community Health Innovations Program”

Judd Leighton Foundation

1/1/2018 – present

Role: Co-Director

“Indiana Clinical and Translational Sciences Institute”

Bioethics and Subject Advocacy Program

NIH/NCATS UL1TR001108

2/1/2017 – present

Role: Consultant/Notre Dame representative

Completed

“Teaching and Learning Health Equity in the Clinical Curriculum”

Indiana Primary Care Advancement in Clinical Training (INPACT) Grants

1/1/2024 – 9/30/2024

Role: PI

“Closing the Gap: Caring for Our Unhoused Neighbors”

Indiana PRIME Health Equity Grants

10/1/2022 – 9/30/2024

Role: PI

“Bridging the Data Gap Between Parental Adversity and Infant Health Outcomes”

Lucy Family Institute Health Equity Data Lab

CURRICULUM VITAE

7/1/2023 – 8/15/2024

Role: Co-I (with Ted Beauchaine, PhD)

“Community Health Workers for COVID Response”

Centers for Disease Control and Prevention

9/1/2021 – 7/21/2023

Role: Deputy Health Officer, COVID Public Health content expert

4/1/2023 – 7/21/2023

Role: PI

“The Impact of Trauma on Patient Engagement in Oncology Care”

Harper Cancer Research Institute Research Like A Champion Grant

4/4/2016 – 12/31/2021

Role: Mentor (Jean Llenos, recipient; Marissa Vander Missen)

“Heart Improvement Project: Cardiovascular Risk Reduction in Vulnerable Populations”

Purpose: This project seeks to establish the feasibility and efficacy of an Innovative, comprehensive model for health care delivery of cardiovascular risk reduction strategies.

George Kaiser Family Foundation, Tulsa, OK

7/1/2008 – 7/31/2015

Role: PI

“Community Health Workers for Homeless Youth”

Purpose: A pilot project to recruit, train, and deploy community health workers from among the homeless youth population

American Academy of Pediatrics CATCH grant

Extension funding: QuikTrip Foundation; Sharna and Irvin Frank Foundation, Tulsa, OK

10/1/2012 – 7/31/2015

Role: PI

“Health Services for Homeless Youth and Young Adults in Tulsa”

Purpose: This health services delivery project implementation grew out of an internally-funded CBPR project involving homeless youth and young adults.

Morningcrest Foundation & George Kaiser Family Foundation, Tulsa, OK

11/07/2011 – 7/31/15

Role: PI

“Oklahoma Shared Clinical and Translational Science Resources”

Purpose: The OSCTR provides clinical and translational research infrastructure which fosters clinically relevant discoveries translates findings into improved health and launches the careers of junior investigators.

NIH/NIGMS U54GM104938-01

9/1/2013 – 7/31/2015

Role: Chair, Ethics Review Committee; Member, Executive Committee (J. James, PI)

CURRICULUM VITAE

“School of Community Medicine Summer Institute Evaluation”

Purpose: This project is a longitudinal evaluation, by quantitative and qualitative methods, of the impact of the curriculum of the Summer Institute on the professional development of students and faculty.

Norman IRB #12641

George Kaiser Family Foundation

7/13/2009 – 7/31/2015

Role: Co-investigator (Miller-Cribbs, PI)

“Center for Health Outcomes and Improvement Research”

Purpose: To provide infrastructure support and faculty development in health services and outcomes research.

Herman G. Kaiser Foundation

12/1/2007 – 7/31/2015

Role: PI

“Cherokee Nation Collaboration Initiative”

Purpose: To enhance the delivery of health services related to diabetes and cancer to tribal citizens of Cherokee Nation.

Cherokee Nation

1/11/2007 – 7/31/2014

Role: PI/Project Director

Intramural Funding / Research Mentor

“New Law to Increase Lead Testing in Indiana: A Qualitative Interview Study of Health Care Practices in Michiana”

Indiana University Medical Student Program for Research and Scholarship (IMPRS)

University of Notre Dame IRB #24-068630

Purpose: This study examines the response from children’s healthcare providers to new blood lead screening legislation in Indiana.

06/01/2024 – 07/31/2024

Role: Co-investigator

“Unmet Healthcare Needs Among Food Pantry Patrons”

Summer Community Health Innovation Program

University of Notre Dame IRB 19-05-5359

Purpose: This study examines the relationship between food insecurity and unmet healthcare needs.

06/10/2019 – 06/22/2021

Role PI/mentor

“Unmet Healthcare Needs Among Marginally Housed Youth”

University of Notre Dame IRB #18-04-4627

CURRICULUM VITAE

Purpose: This study examines the relationship between unmet healthcare needs and health-related quality of life among homeless and marginally housed youth.

12/3/2018 – 12/31/2021

Role: Mentor

PI: Marissa VanderMissen

“Attachment and Provider Trust among Homeless Youth”

OHHSC IRB # 16520

Purpose: The goal of this study is to examine the relationship between adverse childhood experiences and trust in the medical profession, with attachment style as the mediating influence.

6/8/2012 – 12/1/2015

Center for Health Outcomes and Improvement Research

Role: PI

“Photovoice: Using Community Based Participatory Research (CBPR) to Organize Homeless Youth for Health”

Purpose: The goal of this study is to utilize CBPR with community defined to include members of the target population, in this case homeless youth, at every stage of the protocol. This includes involving homeless youth in the development of research questions and in research ethics training. The end result will be qualitative data collection in the form of photos and accompanying narratives that illuminate the lives of homeless youth that will translate into greater community health awareness.

Center for Health Outcomes and Improvement Research

10/01/2011 – 2/28/2014

Role: PI

“Partnering with Homeless Youth: An Exercise in Community Engaged Research to Aid in Health Service Delivery”

Purpose: The goal of this study is to collect and analyze qualitative data in the form of key informant and group interviews to gauge homeless youth’s perceptions on health care and health care delivery. Our research is taking a community engagement philosophy, in that we are seeking to collect data about the attitudes of homeless youth toward health prior to launching a mobile health clinic to help meet unique community needs.

Center for Health Outcomes and Improvement Research

7/10/2011 – 7/31/2015

Role: PI

“Program in Community Health Research”

Purpose: This proposal is an administrative supplement to the existing INBRE grant to build capacity in community health research through outreach to primarily undergraduate institutions.

NIH/NCRR

9/1/2009 – 8/30/2011

Role: Co-investigator (Waxman/Akins, PI)

CURRICULUM VITAE

“Enhancement of Academic Administrative Unit in Primary Care”

Purpose: This proposal expands the infrastructure and training to support and expand the capacity for primary care research, especially health services research and community-based participatory research.

HRSA D54HP05259

9/1/2008 – 8/31/2012

Role: Associate Project Director & Chief Research Development Advisor
(Tipton, PI)

“Evaluation of School of Community Medicine Summer Institute”

Purpose: This project is a longitudinal evaluation, by quantitative and qualitative methods, of the impact of the curriculum of the Summer Institute on the professional development of students and faculty.

George Kaiser Family Foundation

Approved: 7/17/2008 (IRB #14153)

Role: Co-investigator (Henley, PI)

“Training 21st-Century Physicians: Incorporating Public Health Themes into Residency Education”

Purpose: This proposal seeks to develop a public health curriculum for incorporation into residency programs at the University of Oklahoma College of Medicine, Tulsa.

Association of American Medical Colleges/Centers for Disease Control

1/17/2008 – 9/30/2012

Role: PI

“Residency Training in Primary Care”

Purpose: This training grant develops curricula to incorporate behavioral health education into primary care residency training in family medicine, pediatrics, and medicine/pediatrics.

HRSA 1 D58HP08303-01

7/1/2007 – 6/30/2010

Role: Co-Investigator (Sannito, PI)

“The Prevalence and Recognition of Elevated Blood Pressure in Pediatric Patients Diagnoses with Attention Deficit Hyperactivity Disorder (ADHD)”

Purpose: A retrospective cohort study to evaluate the prevalence of elevated blood pressure and hypertension, as well as rates of identification by providers, in pediatric patients diagnosed with attention deficit hyperactivity disorder.

Section of Medicine/Pediatrics, Departments of Internal Medicine and Pediatrics

7/1/2009 – 4/20/2010

Role: PI

“An Ethical Analysis of Organ Allocation Policies”

Mentored Scientist Development Award in Research Ethics

CURRICULUM VITAE

Purpose: An evidence-based, ethical analysis of outcomes associated with modifications in organ allocation policies.

National Institutes of Health K01 HL72501-01

7/1/2003 – 6/30/2009

Role: PI

Clinical Research Loan Repayment Grant

National Institutes of Health

7/1/2005 – 6/30/2009

Role: Grantee

“Innovative Community Health Initiatives to Address Disparities in Cardiovascular Health: From Personalized Care to Public Health”

Purpose: This grant provided funding for a visiting professorship to enhance education regarding individual- and community-based strategies for cardiovascular risk reduction.

Pfizer Medical and Academic Partnerships Grants

Academic Year 2008-2009

Role: PI/Host

“Preventing Death and Morbidity from Cardiovascular Disease in Tulsa County”

Purpose: This project is a demonstration project to evaluate the feasibility and efficacy of an innovative health care delivery system for adoption of cardiovascular risk reduction strategies.

George Kaiser Family Foundation/Planning Grant

7/1/2007 – 6/30/2008

Role: Co-Investigator (Raskob, PI)

“Treatment of Pediatric Hypertension with Altace (TOPHAT II): A Randomized, Double-Blind, Placebo-Controlled, Multicenter, Parallel-Arm Study Assessing the Efficacy, Safety, and Dose-Response of Ramipril for the Treatment of Hypertension in Children and Adolescents”

King Pharmaceuticals, Inc.

2/22/2007 – 12/21/2007

Role: PI

“Weight Loss and Blood Pressure Reduction Outcomes in Pediatric Patients Referred to a Community-Based Weight Loss Program”

Purpose: This project is a case-control study to evaluate the effect of a community-based pediatric weight loss program compared to routine pediatric primary care in the management of overweight children and adolescents.

Center for Health Outcomes and Improvement Research, and the Section of Medicine/Pediatrics

Role: PI/Mentor

Sub-Investigator: Nancy Merritt, D.O. (Resident, Medicine/Pediatrics)

CURRICULUM VITAE

“Description of an Ethics Consultation Service: Identifying Common Features to Develop a Proactive Approach”

OUHSC IRB #14164

Purpose: This retrospective review of Ethics Rapid Response Team consultations seeks to identify common features that may be associated with a request for ethics consultation.

Center for Health Outcomes and Improvement Research, the Oklahoma Bioethics Center, and St. John Medical Center

7/16/2008 – 1/27/2011

Role: PI/Mentor

Sub-investigator: Lisa Ryan, MS II

“The Relationship of Elevated Blood Pressure and Overweight in a Pediatric Resident/Faculty Practice”

OUHSC IRB #13225

Purpose: This study seeks to examine the relationship between blood pressure and body mass index in patients from birth to 18 years of age.

Center for Health Outcomes and Improvement Research

12/7/2006 – 6/29/2012

Role: PI/Mentor

Sub-investigators: Anees Afroze, M.D. (Resident, Internal Medicine);
Dawn Hensley, D.O. (Resident, Medicine/Pediatrics)

“The Prevalence and Recognition of Elevated Blood Pressure in Pediatric Patients Diagnoses with Attention Deficit Hyperactivity Disorder (ADHD)”

OUHSC IRB #11631

Purpose: A retrospective cohort study to evaluate the prevalence of elevated blood pressure and hypertension, as well as rates of identification by providers, in pediatric patients diagnosed with attention deficit hyperactivity disorder.

Section of Medicine/Pediatrics, Departments of Internal Medicine and Pediatrics

7/1/2004 – 5/13/2010

Role: PI

“Pediatrics Eplerenone Development Study I (PEDS I)”

Purpose: A randomized, double-blind, placebo withdrawal, parallel group, dose-response study to evaluate the efficacy and safety of eplerenone in the treatment of hypertension in children.

Pfizer, Inc.

12/20/2004 – 9/17/2007

Role: PI

“Improved Diagnosis of Metabolic Diseases among the Statin Myopathies”

Purpose: A prospective cohort study to evaluate the association of metabolic and genetic markers and the risk of statin-associated myopathy.

The Muscular Dystrophy Association and the John R. Oishei Foundation

12/1/2004 – 12/31/2007

Role: Collaborating Investigator (Wortmann, PI)

CURRICULUM VITAE

"Identification and Follow-up of Elevated Blood Pressure Measured at Adolescent Health Maintenance Visits"

Purpose: A retrospective cohort study to evaluate the prevalence of elevated blood pressure and hypertension, as well as rates of identification by providers, in adolescent patients presenting for health care maintenance visits.

Gilbert Forbes Fellowship for House Officer Research, Department of Pediatrics, University of Rochester School of Medicine and Dentistry

10/1/2000 – 6/30/2001

Role: PI (Preceptor: Steve Lipshultz, M.D.)

"Identification and Follow-up of Elevated Blood Pressure Measured at Adolescent Health Maintenance Visits"

Purpose: A retrospective cohort study to evaluate the prevalence of elevated blood pressure and hypertension, as well as rates of identification by providers, in adolescent patients presenting for health care maintenance visits.

American Academy of Pediatrics Resident Research Grant Program

8/1/2000 – 6/30/2001

Role: PI (Preceptor: Steve Lipshultz, M.D.).

"Emerging Therapy for Cystic Fibrosis: Heart-Lung Transplantation"

Purpose: A case cohort study to determine the prevalence, survival rate, and complications associated with heart-lung transplantation for cystic fibrosis.

Cystic Fibrosis (CF) Foundation (Bethesda, MD) Student Traineeship Grant
Grant #H097 0-1

6/1/1990 – 12/1/1990

Role: PI (Preceptor: William H. Frist, M.D.)

TEACHING ACTIVITIES

Academic Administrative Roles

Indiana University School of Medicine

2016 -- Transitions 1, Statewide Course Co-Director
2017 - 2023 Medical Ethics Curricular Thread Director
2017 - 2023 Public Health/Evidence Based Medicine Thread

CURRICULUM VITAE

Formal Lectures/Credit Courses

Indiana University School of Medicine

- 2021 -- Health Systems Science 1/Preparing for Professional Practice 1
- 2016 -- Transitions 1, SB Course Director
- 2016 -- Foundations of Clinical Practice 1, SB instructor
- 2016 - 2017 Evidence-Based Medicine, (Legacy Curriculum), SB Course Director

University of Notre Dame

- 2016 -- Introduction to the American Health Care System (3 credit hours),
Preprofessional Studies, College of Science (Fall)
- 2018 -- Theological Perspectives on Poverty and Health (3 credit hours),
Department of Theology, College of Arts & Letters (Spring, intermittent)

University of Oklahoma

School of Community Medicine

Student Academy

- Ethics and Professionalism, 2009 - 2015
- Cardiovascular Risk Reduction, 2009 - 2015

Medical Student Summer Internship, Co-director, 2009 - 2014

Medical Student Academic Afternoon

- Evidence-based Medicine, 4 contact hours, 2003 - 2011
- Dean's Conference in Bioethics, 6-8 contact hours, 2004 - 2008

Bioethics Elective, Course Director, 2009

MED 9236: Combined Medicine/Pediatrics Elective

Course director, 44 contact hours, 2003 - 2006

College of Medicine

Physicians, Patients, and Society (Andrews, Hall, and Rettig, course directors)

Visiting Lecturer, 2 contact hours, 2004 - 2015

College of Public Health

HAP 5263: Ethics and Human Values in Health Care

Course Director, 45 contact hours, 2007

HAP 5453: U.S. Health Care Systems (Budetti)

Visiting Lecturer, 3 contact hours, 2005

HAP 5303: Health Politics and Policy (Budetti)

Visiting Lecturer, 3 contact hours, 2004

Phillips Theological Seminary

TE 688.04: Defining Moments: Medical Ethics for Pastors

Instructor, 39 contact hours, 2005

CURRICULUM VITAE

Student Advising/Mentoring & Committee Service

Indiana University School of Medicine

Anesthesia Ethics Working Group/Medical Ethics Student Interest Group

Anna Marie Altaville, Ayli Anvaripour, Luke Hargrave, Danielle Harold, Emma Jones, Logan Koehne, Jillian Nanagas, Holly Pickett, Caroline Potts, Skyler Thompson, Sapna Vyas, 2025 -

IMPRS Program

Susie Kim, 2024

Eli G. Schantz, 2022

University of Notre Dame

Institute for Social Concerns ND Bridge Program

Fatima Bello, Adam Hartz, Luke Laughlin, Anabel Zablah, 2026

Zoren Co, Leticia Gonzalez, Joshua Jones, Karen Umeora, 2025

Tami Alli, Sydney Park, Henry Oh, Turner Long, 2024

Institute for Social Concerns Summer Fellowship

Callia Newman, 2026

Maeve Chmielewski, 2025

Leslie Gamboa, 2025

Justin Hwang, 2025

Kafele O'Brien, 2025

Damien Cudd, 2024

Travers Mason, 2024

Glynn Family Honors Program/Compassionate Care in Medicine Capstone

Joey Kozimbo, 2025-2026

Brandon Chou, 2022-2023

Political Science Senior Thesis

John Linczer, 2017-2018

ESTEEM Program Master's Oral Exam Committee

Matthew Caponigro, 2015

University of Oklahoma

DrPH Dissertation Committee

Mary E. Homan, 2016-2017

Ph.D. Dissertation Committee

Meg Myers Morgan (Interdisciplinary), 2011 - 2013

M.P.H. Practicum Supervision

Joshua R. Thomas, MD

CURRICULUM VITAE

Jessica Tarabay
Matt Garner
JoAnn Rushenburg

M.P.H. Practicum Committee

Joshua R. Thomas, MD 2013
Jonathan B. Weaver 2012
Jessica Tarabay 2011
Kaitlin M. Snider 2010
Jeanne Hayes
Marcialee Ledbetter
Kara Brunk
Matt Garner 2008
Barbara Martin
JoAnn Rushenburg 2006

Mentoring

Residents

Kara Bear-Butler, DO (Medicine/Pediatrics)
Joshua R. Thomas, MD (Medicine/Pediatrics)
Madhuri Nair, MD (Medicine/Pediatrics)
Gopal Chandrasekhran, MD (Pediatrics)
Anees Afroze, MD (Internal Medicine)
Dawn Hensley, DO (Medicine/Pediatrics)
Nancy Merritt, DO (Medicine/Pediatrics)

Medical Students

Hayden Novak, MSIII
John Kaufman, MSIV
Lauren Draper, MSIII-IV
Becca (Stephen) Vana, MSIII-IV
Jennifer Montague, MSIII
Erin Chuck, MSII
Daniel Freno, MSII
Shelly Bowles, MSII
Alicia Hutchins, MSII
Heather Foster, MSIV
Lisa Ryan, MSII
Erik Vanderlip, MSIII-IV

Undergraduates

Marissa VanderMissen (University of Notre Dame)
Jean Llenos (University of Notre Dame)
John Linczer (University of Notre Dame)
Thea Murray (Oklahoma City University)
Molly E. Benson (University of Oklahoma)

CURRICULUM VITAE

Grant R. Plost (Vanderbilt University)

Workshops & Symposia

“Public Health Ethics in the Current Era”

Society of Christian Ethics Health Care Ethics Interest Group
Washington, DC, January 2026

“Food Security and Justice in Health Care”

Society of Christian Ethics Health Care Ethics Interest Group
Virtual, January 2022

“Ethics and Social Determinants of Health”

Society of Christian Ethics Health Care Ethics Interest Group
New Orleans, January 2017

“Consent, Dementia, and Surrogate Decision-making: Ethical Challenges in the Context of Homeless Health Care”

2016 National Health Care for the Homeless Council Annual Meeting
Seattle, WA, June 2016
Co-facilitators: Laura Kaplan-Weisman and Mark D. Fox

“Whose Patient Is This? Communication Between Primary and Specialty Care Physicians”

2014 Richard Liebendorfer, M.D. Ethics Symposium
St. John Medical Center, Tulsa, OK, November 12, 2014
Course Steering Committee

“Engaging Homeless Youth in Services” (Pre-Conference Institute)

2014 National Health Care for the Homeless Conference and Policy Symposium
New Orleans, LA, May 2014
Co-facilitators: Mark D. Fox and Debbian Fletcher-Blake

“Adverse Childhood Experiences and Provider Trust: Research Supporting the Need for Trauma-Informed Primary Care” (Workshop)

2013 National Health Care for the Homeless Conference and Policy Symposium
Washington, DC, March 2013
Co-presenters: Mark D. Fox, Ricky Munoz, Nancy Brahm

“Partnering with Homeless Youth: An Exercise in Community-Based Participatory Research to Aid in Health Care Delivery” (Workshop)

2012 National Health Care for the Homeless Conference & Policy Symposium
Kansas City, MO, May 2012.
Co-presenters: Mark D. Fox, Ric T. Munoz, Jeremy Aragon

CURRICULUM VITAE

“2008 Richard A. Liebendorfer, M.D. Ethics Symposium,”
St. John Medical Center, Tulsa, OK, September 25, 2008
Course Director

“Ethics Stat!: The Anatomy of an Ethics Consultation,”
St. John Medical Center, Tulsa, OK, September 22, 2006
Course Steering Committee

“Taming the Silent Killer: An Update on Hypertension”
St. John Medical Center, Tulsa, OK, December 1, 2005
Co-Course Director (with Pranay Kathuria, M.D.)

“What is Legal is Not Always Ethical,”
St. John Medical Center, Tulsa, OK, September 22, 2005
Course Steering Committee

Visiting Professorships/Endowed Lectures

University of Notre Dame, Notre Dame, IN
Emil T. Hofman Lecture
“Lines and Tigers and Nares...Oh, My!”
November 5, 2022

Loma Linda University, Loma Linda, CA
Center for Christian Bioethics
2022 Jack Provonsha Lecture
“Entertaining Angels Unawares: An Articulation of the Distinctive Virtues of Community Medicine”
October 8, 2022

University of Mississippi Medical Center, Jackson MS
Department of Pediatrics
“Back to the Future: Transplant Ethics in Historical Perspective”
March 20, 2012.
“That Which Shall Not Be Named: The Epidemic of Undiagnosed Childhood Obesity,”
March 19, 2012

University of Wisconsin School of Medicine, Madison, WI
Division of Nephrology/Transplant Surgery
“Ethical Innovations or Innovative Ethics? Emerging Practices in Transplantation”
October 21, 2002

Indiana University School of Medicine, Indianapolis, IN
Department of Pediatrics
“Wisdom and Experience: Pediatricians’ Comfort with Ethical Issues,”
August 8, 2002

CURRICULUM VITAE

Cleveland Clinic Foundation, Cleveland, OH
Department of Bioethics
“In Search of Oz: The Moral Foundations of Organ Allocation Policy”
March 11, 2002

PROFESSIONAL SERVICE

1. Clinical Activities

2018 – 2023	Deputy Health Officer, St. Joseph County Department of Health
2019 – 2020	Interim Health Officer, St. Joseph County Department of Health
2012 – 2015	Medical Director, OU Wayman Tisdale Specialty Health Clinic Medical Director, Medicine/Pediatrics Specialists
2011 – 2015	Medical Director, Street Outreach Clinic
2008 – 2015	Medical Director, Heart Improvement Project
2005 – 2015	Director, Pediatric Preventive Cardiology Clinic
2009 – 2012	Attending Physician, Bedlam Longitudinal Clinic
2009 – 2011	Director of Health Assessments, Youth Services of Tulsa
2004 – 2011	Attending Physician, Bedlam Hypertension Clinic
2003 – 2008	Attending Physician, OU Internal Medicine Service, St. John Medical Center, 1-2 months per academic year Teaching contact: 60 hours Teaching Rounds and Conferences
2003 – 2008	Attending Physician, OU Pediatrics Service, Saint Francis Hospital 4 weeks per academic year, 2003 - 2008 Teaching contact: 100 hours Teaching Rounds and Conferences
2003 – 2009	Attending Physician, Medicine/Pediatrics Resident Continuity Clinic 2 - 8 half-day sessions per month
2004 – 2008	Co-Director, Hypertension and Dyslipidemia Clinic, OU Internal Medicine

2. Service to Professional Societies

National Health Care for the Homeless Council
2012 – 2018 Member, Clinicians' Network Steering Committee

CURRICULUM VITAE

2015 – 2016 Chair, Clinicians' Network Steering Committee
2014 – 2016 Member, Governing Board
2014 – 2015 Chair- Elect, Clinicians Network Steering Committee

Organ Procurement and Transplantation Network (OPTN)/United Network for Organ Sharing (UNOS), Richmond, VA

2011 – 2014 Ethics Committee
2007 – 2009 Pediatric Transplantation Committee
2005 – 2008 Kidney Transplantation Committee
 2007 – 2008 Kidney Paired Donation Working Group
 2005 – 2008 Kidney Allocation Review Subcommittee (KARS)
2004 – 2006 Ad Hoc Committee on Public Solicitation of Donor Organs
 2004 – 2006 Chair
1994 – 2008 General Public Member
1994 – 2006 Ethics Committee
 2005 – 2006 *Ex-officio*
 2001 – 2005 Chair
 1998 – 2001 Vice-Chair
 1998 – 2001 Region 9 Representative,
 1997 – 1998 At-Large Member
 1994 – 1997 Region 11 Representative
 Subcommittees
 Subcommittee on Stewardship
 Subcommittee on Non-directed Donation
 Joint Ethics/OPO Subcommittee
