

Curriculum Vitae
PAUL LYONS, MD
University President,
Dean, School of Medicine
CEO, CUSM Health
California University of Science and Medicine

Education

Undergraduate: Oberlin College, BA, 1985
Major: Philosophy
Berklee, BA, 2025
Major: Guitar Performance
Medical School: Ohio State University, MD, 1991
Residency: University of Minnesota, Department of Family Medicine and
Community Health, 1991-1994
Fellowship: Institute for Urban Family Health, Faculty Development
Fellowship, 1994-1995, 1997-1998
Grant Generating Project Fellow, 2004-2005
Certification: Organization Leadership, University of Redlands, 2022

Professional Experience

Academic Appointments:

Professor, California University of Science and Medicine, 2019-present

Distinguished Teaching Professor, University of California, Riverside School of
Medicine, 2017-present

Professor, University of California, Riverside School of Medicine, 2011-present
Merit advancement: 2014, 2018

Professor, Temple University School of Medicine, Department of Family and Community
Medicine, 2008-2011

Associate Professor, Temple University School of Medicine, Department of Family and
Community Medicine, 2002-2008

Assistant Professor, Temple University School of Medicine, Department of Family and Community Medicine, 1998-2002

Associate Professor, Temple University School of Medicine, Department of Pediatrics, Division of Adolescent Medicine, 2002-2008

Assistant Professor, Temple University School of Medicine, Department of Pediatrics, Division of Adolescent Medicine, 1998-2002

Assistant Professor, Albert Einstein College of Medicine, Department of Family Medicine, 1995-1998

Assistant Professor, University of Minnesota, Department of Family Medicine and Community Health, 1994-1995

Faculty Preceptor, Nurse Practitioner Program, Temple University College of Health Professions, Department of Nursing, 2007-2011

Clinical Instructor, Adult Nurse Practitioner Program, Yale School of Nursing, 1997-2007

Adjunct Faculty, Family Nurse Practitioner Program, Pace University, 1997-1999

Academic Administration:

President, California University of Science and Medicine, 2019-present.

- led the university from initial founding stage through full accreditation and full operations as a health sciences university with four graduating classes of MD students and seven graduating Masters degree classes.

- led all accreditation activities related to California (BPPE) and regional accreditation (WASC) with full accreditation in 2022, medical school accreditation (LCME) with full accreditation in 2026

- established all operational units, policies and procedures in education, student affairs, research, faculty affairs, administration, federal and regulatory affairs, legal and institutional advancement efforts.

- established clinical, educational and operational partnerships with all major healthcare systems within the region.

- developed and implemented a comprehensive budgeting process and

full financial operations resulting in positive operating margins every year since 2019

Dean School of Medicine, California University of Medicine, 2019-present

served as CEO and chief academic officer for the school of medicine from initial year of operation through successful full accreditation, February 2026. Established operational units, organization leadership structure and hired or placed all senior leaders within the school.

CEO, CUSM Health, California University of Science and Medicine, 2019-present

founded and grew all clinical health care delivery services under the umbrella of CUSM Health including Neurology, Cardiology, Gastroenterology and Primary Care.

—negotiated all contracts for clinical services, hired all physicians and established all operational functions for the practice plan both clinical and operational.

—drove clinical growth from \$1m annual revenue in 2019 to \$18 (projected) annual revenue in fiscal 2026-27. Net positive revenue every year of operation.

--established first private clinical practice space

--provided core faculty for residencies or fellowships in Neurology, Cardiology and Gastroenterology.

(Previous)

Senior Associate Dean for Education, University of California, Riverside School of Medicine, 2011-2019

Founding member of SOM Executive Team responsible for development of all aspects of the school including education, clinical and research enterprises.

--Founded UCR Health and associated practice plan

--Recruited Senior Associate Dean, Clinical Affairs; Senior Associate Dean, Research; Chair, Biomedical Sciences; Director, Center for Healthy Communities; Chairs, Surgery, Internal Medicine, Obstetrics/Gynecology, Psychiatry; 9 Biomedical Science researchers, 5 Population Health Researchers, 60+ clinical providers

--Established affiliation agreements with key partners for educational and clinical services

--Developed Business, Finance and Budget cycle processes

- Established Center for Healthy Communities (population and health outcomes research center)
- Developed 60,000 assignable sq. ft. new biomedical research space
- Developed 40,000 assignable sq. ft. new educational space —Developed translational research infrastructure including pre-/post award structure, internal grant proposal review, human subjects IRB, Western IRB affiliation
- Implemented first human subjects/translational research projects

Chief Academic Officer responsible for development, implementation, evaluation and revision of educational curriculum for the first new University of California medical school in four decades.

- Provided comprehensive oversight of undergraduate, graduate and continuing medical education.
- Led LCME accreditation application effort for preliminary, provisional and full accreditation.
- Developed comprehensive integrated 4-year medical school curriculum
- Led development of Family Medicine, Pediatrics, Psychiatry, Neurology, OB/Gyn, Surgery and Internal Medicine, Cardiology, Interventional Cardiology and Gastroenterology GME programs (Total >200 new GME positions)
- Developed community-based network of partnerships for delivery of clinical training including public, private, not-for-profit, for-profit and county based health systems
- Established faculty development across all platforms including classroom, small group, didactic and clinical settings.
- Developed and fostered interdisciplinary training including MD/MBA, MD/MPP, MD/PhD (Psychology, Anthropology, Biomedical Sciences, Engineering), medical school Designated Emphasis in Medical Humanities, Graduate Program Designated Emphasis in Medical Humanities
- Established Center for Humanities and Medical Practice
- Established HABLAMOS (Hispanic and Bilingual Longitudinal Medical Studies) an integrated four-year curriculum for native and non-native speakers to achieve cultural and linguistic fluency
- Served as 1st UC Riverside SOM Faculty Senate Member

Founding Chair, Department of Family Medicine, University of California, Riverside School of Medicine, 2011-2019

Responsible for development and oversight of clinical, research/scholarly and educational activities for the department including finance, budgeting, revenue management and clinical business development

- Assumed management of and expanded county-based residency (36 residents)
- Developed second residency, Palm Springs, (24 residents)
- Co-developed third residency, Riverside, (24 residents)
- Established of a clinical practice including partnerships with county, Tenet, HCA, Dignity Health, and private health systems.
- Developed departmental budget, revenue management and funds flow models
- Provided faculty development and academic oversight for department members
- Established the clinical infrastructure to support the emerging faculty practice.

Founding College Director, Babcock College, Temple University School of Medicine (TUSM), 2005-2011.

One of six colleges within TUSM. Responsible for oversight of curriculum development, revision, coordination, delivery and assessment. Oversee one-sixth of each class and the interdisciplinary faculty assigned to college. Provide consultation and development assistance for standardized and simulated clinical educational programs.

Founding Steering Committee Member, Temple Institute for Medical Education, TUSM, 2008-2011.

Newly re-established educational institute within the medical school that serves as the central formal structure for support of collaboration, innovation and excellence in medical education within the medical school. Serves as a formal institute with secondary appointments for faculty with recognized excellence in medical education. Established, supported and funded by the Dean of the medical school and the University Provost.

Associate Chair for Clinical Education, TUSM, Department of Family and Community Medicine, 1998-2011.

Coordinate and implement all clinical educational activities within the department including premedical shadowing/advising, preclinical introductory clinical skills, third year required clerkship, fourth year sub-internship and departmental electives. Provide central coordination and support for seven affiliated residency

programs. Develop, implement and evaluate educational curricula for regional clinical campuses.

Course Director, 4th Year Capstone Course/Doctoring IV, TUSM, 2008-2011 Develop, implement and evaluate TUSM's first ever capstone course for graduating seniors. This course represents the final component of the four-year Doctoring curriculum and the final academic requirement for all Temple University medical students.

Faculty Consultant, Center for Urban Bioethics and Humanities, 2009-2011
Collaboratively developed the core curriculum in Medical Humanities and co-wrote seed grant application. Initial course offerings in Spring 2011.

Faculty Development Coordinator, TUSM Department of Family and Community Medicine, 1998-2011.
Develop and implement faculty development programs for core and affiliated faculty. Moderate national Family Practice Review.

Coordinator, Adolescent Medicine, TUSM, Department of Pediatrics, 1998-2008.
Founded the adolescent practice within the Department of Pediatrics. Clinical practice in adolescent medicine and Family Planning services.

Associate Residency Director, Bronx-Lebanon Family Practice Residency, Albert Einstein College of Medicine affiliated, 1996-1998.

Director, Predoctoral Education/Student Programs, Bronx-Lebanon Family Practice Department, 1995-1998.

Director, Residency Research Programs, Bronx-Lebanon Family Practice Residency, 1994-1998.

Coordinator, Pediatric and Adolescent Education, Bronx-Lebanon Family Practice Residency, 1994-1998.

Small Group Facilitator, Albert Einstein College of Medicine Department of Family Medicine, 1994-1998.

Assistant Director, Predoctoral Education, Bronx-Lebanon Family Practice Department, 1994-1995.

Chief Resident, University of Minnesota Department of Family Medicine and
Community Health, 1993-1994

Private Practice: United Hospital Urgent Care, 1992-1994

Committee Membership:

University of California, Riverside School of Medicine

Dean's Council, 2018-2019

Executive Leadership Committee, 2011-2019

Senior Leadership Committee, 2013-2019

UC Medical Group, Executive Committee, 2013-2019

Clinical Finance Committee, 2017-2019

Faculty Executive Committee, 2012-2019

Faculty Executive Committee, Vice Chair, 2012-2019

Medical Education Committee, 2011-2019

Graduate Medical Education Committee, 2011-2019

Student Progress and Promotions Committee, 2012-2019

Admissions Committee, 2012-2019

Space Committee, 2013-2019

IT Infrastructure Ad Hoc Committee, chair, 2015-2019

LCME Coordinating Committee, Executive Chair, 2017-2019

LCME Task Force Committee, Member, 2011, 2011-12, 2014-15, 2016-17

LCME Task Force Committee, Chair, 2014-15, 2016-17

LCME Education Subcommittee Chair, 2011-12, 2014-15, 2016-17

LCME Faculty Lead and Chief Academic Officer, 2014-15, 2016-17

University of California

System Wide School of Medicine Education Deans, member, 2011-2019

University Committee on Educational Policy, interim member, 2018

University of California, Riverside

Long Range Development Plan Committee, steering committee, member,
present

Long Range Development Plan Committee, student experience subcommittee, member, present Faculty Senate, member 2011-2019

Executive Committee, member, 2018-2019

Committee on Education Policy, 2017-2019

Committee on Education Policy, Chair, 2018-2019

Ad Hoc Subcommittee on Online Learning, Chair, 2017-18

Ad Hoc Committee on General Education Requirements, Member, 2018-2019

Committee on Courses, 2013-2016

Professional Schools subcommittee, 2013-present

Professional Schools Subcommittee, chair, 2015-16

Committee on Academic Integrity, 2015-2019

Academy of Distinguished Teachers, 2017-2019

Temple University Hospital

Comprehensive Maternal-Infant Collaborative, Leadership Committee. Practice and research collaborative focusing on patient safety, practice improvement and liability reduction across the TUH obstetrical care catchment area.

Hospital Inpatient Medicine Committee, Member. Practice and quality improvement and utilization review committee for hospitalist care.

Temple University School of Medicine

Student Promotions and Grievance Committee, faculty elected representative, 2009-2011.

International Health Programs Advisory Board, 2008-2011

Institute for Medical Education, founding member, 2007-2011

Admissions Committee, 2007-2011

Admissions Applicant Screening Subcommittee, 2008-2011

College Masters Committee, 2005-2011

Doctoring Curriculum Committee, 2005-2011

Honor Board, Faculty Representative, 2005-2011

Association of Distinguished Educators in Medicine, 2004-2011

Library Facilities Committee, 2001-2011

Clerkship Directors Committee, 1998- 2011

Technology in Teaching Committee, 2003-2011

Department of Internal Medicine Awards Committee, 2011

Intellectual Property Working Group

Awards/Recognitions

CUSM Leadership Award, May 2022

Invited Scholar, California Center for Ethics and Policy, California, State Polytechnic University, Pomona, May 2019

Academy of Distinguished Teachers, selected 2017

Funniest Attending Award, RUHS-UCR Family Medicine

Residency, resident selected, 2016

University of Redlands, Commencement Speaker, April 2015
 Raincross Group Leadership Award, 2014
 UCR School of Medicine Golden Lung Award, 2014
 America's Best Doctors, 2013, 2014
 Best Clinical Skills Instructor, UCR/UCLA Thomas Haider
 Program in Biomedical Sciences, 2012
 Last Lecture Speaker, student selected, 2011, 2012
 Outstanding Senior Faculty Educator, Department of Internal
 Medicine, TUSM, February 2011
 Certificate of Appreciation, TUSM Residency in Internal
 Medicine, February, 2011
 Best Doctors, 2010-2011
 Last Lecture Speaker, student selected, 2010
 Russell and Pearl Moses Endowed Medical Award for Outstanding
 Teaching, Resident nominated/student selected. 2010
 Alpha Omega Alpha Induction Speaker, 2010
 Best Doctors, 2009-2010
 Great Teachers Award, Temple University's highest teaching
 recognition, 2008
 National Golden Apple for Teaching Excellence, American
 Medical Student Association, 2008
 Great Teachers Award, Temple University, nominee, 2007
 Excellence in Humanism Award, AAMC, 2005
 Exemplar of Humanism in Medicine, The College of Physicians of
 Philadelphia, 2005
 Golden Apple Award, Temple Chapter American Medical Student
 Association, 2005
 Yearbook dedication, student elected, TUSM 2005
 Exemplary Teaching Award, Pennsylvania Academy of Family
 Physicians, recipient, 2004
 Exemplary Teaching Award, American Academy of Family
 Physicians, nominee, 2004
 Excellence in Humanism Award, AAMC, 2004
 Lindback Foundation Award, university-wide teaching award,
 recipient, 2004
 White Coat Ceremony, Presenter, 2003
 Faculty hooder, elected by graduating class, 2001, 2003, 2004,
 2008, 2009, 2011
 H. Winter Griffith Award for Excellence in Patient Education,
 STFM 20th Annual Conference on Patient Education, 11/98.

Harry H. Gordon Award for Outstanding Clinical Teaching,
nominee, Albert Einstein College of Medicine, 1998
New York State Academy of Family Physicians, Teacher of the
Year, nominee, 1997
Excellence in Research Award, Committee on Research, American
Academy of Family Physicians, 1994
Resident Teacher Award, Society of Teachers of Family Medicine,
1994
Public Health Award, "Atherosclerotic Mortality in Ohio, 1979-
1987", Ohio State University College of Medicine, 1991

“Integrating Practice, Education and Community Need Through Patient Education”, with M Walsh, poster presentation, NPACE Boston National Primary Care Conference, 1996

“Evaluation of an Educational Program to Improve Metered Dose Inhaler Technique”, advisor with M Walsh for J Gallagher, H Hochster, J Post research presentation, STFM 1996 NE Regional Conference

Invited Presentations:

Mind the Gap: Assessing and Addressing the Health Care Needs of Inland Southern California, Invited Scholar, California State Polytechnic University, Pomona, May 2, 2019.

“A Clean Well-Lighted Place”, Long Night of Arts and Innovation, October 2017

Signs and Symptoms: Medicine is Humanities, faculty presenter, 2016 3rd Bi-Annual Medical Narratives Conference, University of California, Riverside, October 13-14, 2016.

Keynote Presentation, PreHealth/PreMedical Conference, May 2015, Riverside CA

“Back Words: Maintaining Back Health”, UC Riverside Wellness Program, August 2014.

Keynote Presentation, Pre-Health/Pre-medical Conference, May 18th, 2014, Riverside CA.

“Tell Me a Story”, Long Night of Arts and Innovation, October 2013

“Chronic Pain”, UC Riverside Wellness Program, September 2013

Reducing Medical Risk for Neurovascular Disease, International Neurology Forum 2012, Bucharest, Romania, May, 2013.

Medical Examinations: Art, Story, Theory. Faculty Scholar. University of California, Riverside, Center for Ideas and Society. April 2013

“Smoking Cessation”, UC Riverside Wellness Program, March 2013

Reducing Medical Risk for Neurovascular Disease, International Neurology Forum 2012, Ho Chi Minh City, Vietnam, December, 2012.

“Eyes of a Healer”, Long Night of Arts and Innovation, Oct 2012; Citizens University Committee, April 2013

“10 Healthy Habits for a Healthy Family”, UC Riverside Wellness Program, August 2012

“A View From the Other Side”, Invited *Last Lecture*, Capstone Course, Temple University School of Medicine, 4/28/2012.

“Patient Centered Medical Home”, RCRMC Residency Retreat, March 2012

“Standard of Care”, Keystone address, University of California, Riverside Student Run Health Clinic annual fundraiser and recognition dinner, 3/2012.

What is the best medicine for America, Osher Lifelong Learning Institute, 1/5/2012.

“Eventually We Will All Tell the Story of Our Own Death”, TEDxUCR, Riverside CA, 12/2011.

Longitudinal Ambulatory Clinical Experience. AAMC Conference on New and Emerging Medical Schools, El Paso TX, May 5, 2011.

“Thanks, Be Well and Goodbye”. Invited *Last Lecture*, Capstone Course, Temple University School of Medicine, May 3, 2011.

Cutting Edge Medical Seminars, Invited Moderator, Summer 2009, Summer 2010, Winter 2010.

“What I Wish I’d Known: Preparing a Well Rounded Application”. Alpha Epsilon Delta Premedical Society Regional Meeting, Philadelphia, November 2009.

Ingenious Pain: This time it’s personal. Medicine and the Humanities. With K Gumery. AMSA Regional Meeting, Fall 2009.

Hypertension with clinical cases. Lancaster General Hospital Family Practice Review, Fall 2009.

Ethical dilemmas in treating the homeless patient. Invited Panelist. Annual Ethics Symposium, Temple University School of Medicine. May 6, 2009

The Role of Medical Students in Disaster Response. Temple Emergency Action Corps Annual Symposium, December 2, 2008.

“Who *Are* You? Mental health assessment in the adolescent patient”, Visiting Professor, Reading Hospital, April 2007

“Diabetes mellitus type II. Diagnostic and therapeutic considerations”. Lancaster General Hospital Family Practice Review. Spring 2005

“Diabetes mellitus type II. A practical workshop on critical management issues”. Lancaster General Hospital Family Practice Review. Spring 2005

“The Future of Family Medicine”, Visiting Professor, Williamsport Hospital and Medical Center, Williamsport Family Practice Residency, Feb 2005

“Now what? An integrated approach to the adolescent well visit”. Williamsport hospital and Medical Center, Feb 2005.

“STD screening in high risk populations”, HIP Corps training, 2004

Keynote Address, AMSA Regional Chapter Officers Conference, 2004

“Adolescent Health Issues in Latino Populations”, workshop presenter, National Boricua Latino Health Organizations annual national conference, Philadelphia, 2003.

“Urban Family Medicine: We’re not in Kansas anymore”. Keynote speaker, New York City Family Practice Conference, November 2002.

“Oops I did it again”. Keynote speaker, 3rd Annual Soul of Medicine Brunch, September 2002.

“Beyond Keystone III”, keynote presentation and facilitator, 10 State AFP Leadership Conference, February 2002.

“Recent Advances in Obesity Management”. Recent Advances in Medicine CME series. Temple University School of Medicine. October 2001

Keynote Speaker, Temple University School of Medicine, Soul of Medicine, May 2002.

“Use of Handheld Technology in Clerkship Management”. TUSM Faculty Retreat, June 2002.

Editorial Reviews

American Academy of Family Physicians Learning Link Clinical Update—clinical summary and/or review of relevant *Lancet* published articles, 4 reviews per month (sample reviewed articles below):

Effects of low-dose, controlled-release, phentermine plus topiramate combination on weight and associated comorbidities in overweight and obese adults (CONQUER): a randomized, placebo-controlled, phase 3 trial *Lancet. April 16-22, 2011;377:1341-1352*
Stillbirths: what difference can we make and at what cost? *Lancet. April 30-May 6, 2011;377:1523-1538*

Injectable extended-release naltrexone for opioid dependence: a double-blind, placebo controlled, multicenter randomized trial *Lancet. April 30-May 6, 2011;377:1506-1513*

Hydroxycarbamide in very young children with sickle-cell anemia: a multicenter, randomized, controlled trial Lancet. May14-May 20, 2011;377:1663-1672
Medical treatment in acute and long-term secondary prevention after transient ischemic attack and ischemic stroke Lancet. May14-May 20, 2011;377:1681-1692

Courses Developed/Taught:

Capstone course, culminating course of the medical school curriculum. Presented for all graduating medical students. Developed, 2009. Revised, 2010. Currently ongoing.

English 2901 Medicine and Literature, in collaboration with the English Department and the Honors Program, Spring, 2008, Fall 2010.

Narrative Medicine 4th year TUSM elective, with Dr Keith Gumery, English Department, Fall 2007

English W106 Texts and Culture in Medicine, writing intensive undergraduate English course, Temple University, Fall 2005

Introduction to Public Health, TUSM elective, Spring 2005, Spring 2006

Temple Emergency Action Corps, TUSM annual elective, 2007-2011

Medical Ethics, TUSM elective 2007-2011

Medical Nutrition, TUSM elective 2007-2010

Other Academic Activities:

CTSA KL2 Co-director, City of Hope, proposal for 3/2019 submission

CTSI TL1 Advisory Board member, UCLA

Co-PI, The Impact of Age on the Immune Response to Varicella Zoster Virus, 2015-16

Faculty PI, “The Impact of Motivational Interviewing on Cardiovascular Health”, HS 15-153.

Associate Editor, American Academy of Family Physicians Learning Link Clinical Update (Lancet), 2011-2012

Adolescent Health Survey, prospective study of high risk behaviors among adolescents in primary care settings, principle investigator

Pediatric Asthma in Primary Care, prospective study of pediatric asthma management in the primary care setting, assistant investigator

“Value Centered Quality Improvement”, consultant, grant funded project to develop QI tracking in ambulatory primary care

Hypertension and Periodontal Disease. Collaborative pilot research project with School of Dentistry

Comprehensive Maternal-Infant Collaborative, Patient safety and Liability Reduction initiative, Temple University Hospital System, Co-Investigator.

Graduate Students

Sharon Rushing, PhD candidate, Medical Anthropology, Dissertation Committee member, 2015-2020.

Undergraduate Honors Students

Mutahir Farhan, Honors Student, Research Capstone Project Mentor, 2015-graduation 5/2016.
